

About MAHI

At MAHI, we're turning years of pioneering ocean crossings into real-world autonomy for vessels of every size. Joining MAHI means helping make maritime operations safer, smarter and more sustainable.

We build maritime autonomy for surface vessels. Our hardware enabled software pairs the MAHI Sense marine grade edge computer with the MAHI Remote Operations Center to deliver situational awareness, remote supervision and collision avoiding local path planning that works even without connectivity. Founded in 2022 and based in Mechelen, Flanders, MAHI grew out of Project Mahi (started in 2015), the team behind Mahi-2, the first autonomous solar vessel to cross the Atlantic in 2021–2022. Today our systems are integrated on new builds and retrofits from 6 to 60 meters.

If you're ready to provide value and truly make a difference, MAHI is the place to be. You will work as part of a tight knit team of 12, incl. our cofounders:

[Andreas Belderbos](#): COO who keeps operations smooth from contracts to sea trials.

[Quinten Lauwers](#): CPO who sweats the details and ships features that matter.

[Pieter Jan Note](#): CEO who keeps the vision clear and the pace smart.

[Bertold Van den Bergh](#): CTO who makes hardware and software play nice at sea.

How we work

We optimize for doing. We ship, learn and improve in short loops. Ownership over ego. Practical impact over slide decks. Clear communication, fast decisions and respect for the craft.

Your role

As our Marketing & Communications Manager, you'll develop and execute a professional marketing strategy that amplifies MAHI's presence in the market. You combine strategic thinking with operational excellence, managing everything from event logistics to brand storytelling. You'll collaborate closely with our leadership team and external partners to ensure consistent, engaging, and high-impact marketing across all touchpoints

What you will do

Marketing Strategy & Execution

- Conduct market research and competitor positioning.
- Create sales and marketing materials (brochures, presentations, campaigns).
- Lead online marketing activities, including planning, drafting and posting on LinkedIn.
- Manage regular updates to the website, including news, team profiles and client references.

Brand & Design

- Guard a consistent visual identity across all channels.
- Coordinate professional services for photography, videography, web development and graphic design.
- Design MAHI-branded apparel and merchandise (e.g., polos, bottles, stationery).

Events & Conferences

- Plan, book and manage conference participation from start to finish.
- Coordinate with agencies on booth design and marketing materials.
- Handle logistics (travel, accommodation, material shipment).
- Represent MAHI at events.
- Evaluate the return on investment after events and campaigns.

Communications

- Develop and maintain strong relationships with press and key stakeholders.
- Publish press releases, newsletters and investor updates.
- Manage internal communications, including the quarterly team newsletter.

Your profile

- Degree in Marketing, Communications, Business, or a related field.
- 2+ years of experience in B2B or tech marketing.
- Excellent communication and project management skills.
- Strong creative instincts with a practical, hands-on attitude.
- Experience working with agencies and managing external suppliers.
- Comfortable representing the company at public events and conferences.

What we offer

- A key role in shaping MAHI's brand and communication strategy.
- Close collaboration with an ambitious, interdisciplinary team.
- Freedom to create and execute your ideas with tangible impact.
- Competitive compensation and flexible work environment.

Ready to join us?

If you are passionate about storytelling, branding and technology that makes waves, we'd love to hear from you. Apply now through the form on our website and help us bring MAHI's vision to the world.

Thanks for considering MAHI as your next adventure on the water!
